Table of available places

FALL 2024 – ROUND 2

admission.sram.qc.ca – DEADLINE : APRIL 24, 2024, 11:59 p.m.

If you have already applied to the Fall 2024 semester and you wish to take part in Round 2:

- Consult the Table of available places to be sure that places are still available in the program and the college of your choice. You may only choose one program in one cégep.
- Take into account:
  - The reason for previous refusal
  - The prerequisites for the program you choose
  - Advice from your counsellor
- Go to **admission.sram.qc.ca** to check the status of your application
- Once logged in, in the Status of *my application* section, click on the *Participate in the next round button*.
- Select a new choice of program and/or college amongst the available places appearing in the Table of available places for Round 2. Your new choice must be saved in your online file **no later than April 24, 2024, 11:59 p.m.**

IMPORTANT NOTICE: You do not have to complete a new application or pay an additional $30.

If your school has not concluded an agreement with SRAM for the electronic transfer of your school marks and if you have received additional school marks since Round 1, you may send these to SRAM.

If this is your first application for the Fall 2024 semester:

- First read the complete application instructions at **www.sram.qc.ca/first-application**
- Go to **admission.sram.qc.ca** and follow the directions to apply for admission as a Regular applicant.

– You will need to provide personal information.

– You will then need to choose a cégep and program, and in some cases a particularity with regards to your program of choice. Consult the Table of available places for Round 2 to make a choice.

– You will have to pay the application fees ($30 non-refundable).

NOTICE: Only applications completed by the deadline of each round will be forwarded to the College for evaluation. For the Round 2, applications must be completed by **April 24, 2024, 11:59 p.m.**

You must provide all requested documents and verify that they have been received by SRAM. Check the status of your application online. Please allow a minimum delay of 24 hours for documents to be processed.

PRECISIONS FOR FALL 2024 ADMISSION

Important additional information or requirements apply to certain programs in certain cégeps. **The online table of *available programs* available at admission.sram.qc.ca details out all of these precisions.**

A	Fees are sometimes required.
AA	Admission requirements for this program include Secondary 5 Chemistry or Chemistry 534 but an exemption issued by the ministère de l'Enseignement supérieur allows colleges to admit applicants who do not meet this requirement. However, a few particular colleges will not admit applicants who do not meet the Chemistry prerequisite. Consult the college's website for information on admission requirements.
B	An equal access program is applicable for admission to this program. Declaration form is available with the cegep. The filled out form must be uploaded to the application file.
C	Administration and registration fees are required for the International Baccalaureate exams.
CE	Quebecers enrolled as full-time students in this program are eligible for a Perspective Québec scholarship.
D	Applicants must comply with the prerequisites of these two programs. Please consult the cégep's website to see if there are options to choose from.
E	Applicants choosing Springboard to a DCS have to verify which services are available in this preparatory session by consulting their chosen cégep's website.
F	Applicants to this program may be required to take a medical examination or get vaccinations.
G	This program pertains to students who have obtained a specific SSVD. Please consult the cégep's website to verify the admission requirements.
I	Some cégeps require applicants to this program to consult their website regarding interview, audition, exam or test schedules.
K	To inquire about the required driver's license, please consult the cégep's website.
LA	In Sorel-Tracy and Valleyfield cégeps the 4th and 5th semesters of this program will take place at Institut de tourisme et d'hôtellerie du Québec, in Montréal.
LD	In Cégep de Saint-Hyacinthe, during his studies, the student will need to commute between Saint-Hyacinthe and Montréal, according to a schedule defined at the beginning of each semester.
LH	At Centre collégial de Mont-Laurier this program is offered in partnership with Cégep de l'Abitibi-Témiscamingue. The last 3 semesters will be held in Cégep de l'Abitibi-Témiscamingue - campus de Val-d'Or, except for internships.
LL	At Collège Montmorency, semesters 5 and 6 will be held at Institut de tourisme et d'hôtellerie du Québec, in Montréal
Q	The regulations of the activities of the profession targeted by this program state that applicants must be Canadian citizens at the end of their studies in order to be eligible to the École nationale de police du Québec.

MEANING OF THE CODES APPEARING IN THE TABLE

🟩 **Open** This program, in this college, is open without restrictions on places for this round.

▲ **Limited number of places** A limited number of places is available in this program, in this college, for this round.

● **Closed** All of the available places for this program, in this college, have been filled. This college will not be accepting any more applications for this program.

P Admission to this program, in this college, is open only to applicants who have already successfully completed (or are on track to successfully complete) at least one semester (concentration or specialization courses) in this program.

T Admission to this program, in this college, is open only to applicants who have already successfully completed at least one semester (concentration or specialization courses) in this program, in this college.

* An asterisk means there are particularities offered for this program. Consult the online table of available places on admission.sram.qc.ca to see those particularities.
